Subject: AUN-QA International Conference 2023 on 6–7 September 2023, Bangkok

Dear Nguyen Thanh Truc Ph.D.,

The ASEAN University Network is proud to announce the organization of The ASEAN University Network–Quality Assurance (AUN-QA) International Conference 2023 at The Berkeley Hotel Pratunam, Bangkok on 6–7 September 2023.

The AUN-QA International Conference is an international platform for the QA practitioners to share and exchange their QA expertise and experiences on QA development and implementation in our universities from various ASEAN countries, local participants and beyond. The theme of this year’s conference is **“Driving University Excellence Through Quality: Strategies, Systems, Structures, and QA in the Context of Post-Pandemic Regional and Global Cooperation”**.

In line with this, we would like to extend an invitation to the university’s QA personnel and those who are interested in the quality assurance development and enhancement to participate in this annual AUN-QA event. Please be informed that the cost of accommodation, transportation, and local hospitalities will be borne by the sending university. The AUN-QA will be the host with the aim to bring back the people in the recovery phase, thus, we are delighted to announce the Special Rates for this year’s registrations.

For more information and online registration, please visit <https://www.aunqaic2023.org/>. The Early Bird Registration will start 17 April 2023.

We highly appreciate your kind participation and are looking forward to welcoming you to Bangkok.

Yours Sincerely,

Choltis Dhirathiti, Ph.D.
